PROFESSIONAL EXPERIENCE

Territory Manager - West Ekiti | Guinness Nigeria

Jan 2026 - Present

Ekiti State, Nigeria

- Own territory sales execution and commercial performance across West Ekiti, with responsibility for customer development, route discipline, availability, visibility and field execution.
- Translate performance gaps into outlet-level and route-level actions through structured commercial reviews, beat-plan discipline and SFA-led execution.
- Use field data, depletion/volume tracking, coverage measures and customer priorities to focus execution on the accounts and activities most likely to move the territory.
- Operate across the full customer journey - call planning, availability, visibility, follow-up, order conversion and performance review - while maintaining clear communication with internal and external stakeholders.

Trade Activation Manager - Enugu | Guinness Nigeria

2022 - 2025

Enugu State, Nigeria

- Led trade activation and route-to-market optimisation across priority Enugu markets, including 9th Mile, Uwani, Ogui, New Haven, Independence Layout, Trans-Ekulu/Abakpa, GRA, Industrial Layout, Nsukka and Amichi.
- Improved customer retention by 22% through data-led route efficiency and remapping, strengthening visit quality, follow-up rhythm and customer coverage.
- Delivered #1 Area / Division / Regional performance signals during the Enugu chapter, combining field execution, activation quality, customer relationships and commercial follow-through.
- Developed Bold Loud Lounge into a leading/premier Enugu outlet through focused customer development, visibility, activation and relationship management.
- Delivered high-footfall brand experiences, including an Enugu Abacha Festival activation publicly reported at 6,000+ attendees, alongside campus and lifestyle activations such as Malta Guinness/Sabinus and JW Hangout.
- Completed 1,095 days in Trade Activation before progressing into territory leadership in West Ekiti.

Key Account / KD Sales Executive - Mainstream Spirits | Guinness Nigeria

Aug 2020 - Nov 2022

Calabar, Cross River State, Nigeria

- Built the commercial foundation for later activation and territory roles through field selling, key-account/customer development, distribution execution and relationship management.
- Managed customer-facing sales routines focused on availability, order conversion, route execution, account follow-up and commercially disciplined service.
- Worked across mainstream spirits and on-trade/customer environments, balancing target delivery with long-term customer relationships and in-market execution quality.

EARLIER EXPERIENCE

Customer Service Intern | Jumia Nigeria

Mar 2019 - Aug 2019

Lagos, Nigeria

- Supported customers with product/service enquiries and issue resolution, building early experience in customer communication, service recovery and commercial problem-solving.

Quality Control Microbiologist Intern | Olabisi Onabanjo University Teaching Hospital

Mar 2016 - Sep 2016

Sagamu, Ogun State, Nigeria

- Supported quality-control and laboratory activities, strengthening analytical discipline, documentation accuracy and evidence-based problem solving.

EDUCATION

Bachelor of Business Administration (BBA) - Business Administration & Management | University of the People

Nov 2022 - Jan 2026

Online

BSc Microbiology | Olabisi Onabanjo University (O.O.U)

Sep 2014 - Oct 2018
